

AMERICAN
KENNEL CLUB®

SLOUGHI AND AMERICAN HAIRLESS TERRIER

The following breeds will be eligible for competition in regular breeds classed on January 1, 2016. The Sloughi will be accepted into the Hound Group and American Hairless Terrier will be accepted into the Terrier.

Upon completion of the exam with a passing grade and payment of the \$25 fee, all Hound and Terrier Group judges will receive automatic approval to judge this breed at shows held after January 1, 2016. Two or more missed questions or one DQ question is considered failing and you will be advised to retake the breed exam. If the exam is not passed on the second attempt it will result in the removal of the Group. (See Judging Approval Process effective, March 1, 2012)

Additional breed applications submitted for the balance of the Hound and Terrier Group received prior to **January 1, 2016** will be required to be interviewed and a payment of \$25 on this breed at the time of the scheduled interview by the office. Applicants who fail the interview by the Executive Field Representative will not be approved to judge the Sloughi and American Hairless Terrier and as a result, regardless of the Judges Review Committee's decision on the balance of the group applied, will not be approved to judge the Hound and Terrier Group.

Individuals wishing to apply using the **Adjunct Method** must submit an application and a processing fee. Judging Operations will start accepting applications between **June 1, 2015 and December 31, 2015**. Those who miss the deadline must apply under the current system. Applications are available on the website or by contacting Judging Operations.
