

# Share Your Love of Purebred Dogs with Your Community.

## Become a Canine Ambassador!

Members in good standing with their AKC®-affiliated clubs can volunteer as Canine Ambassadors.

### As a Canine Ambassador, you'll:

-  Visit classrooms and youth and community organizations to make presentations about responsible dog ownership and purebred dogs.
-  Receive access to materials from the AKC's Public Education department with tips and reproducible handouts.
-  Be listed in a national directory available to teachers and other interested people.
-  Have a fun activity for you and your dog (most ambassadors bring their dogs along to do their presentations.)
