Please advise the Judging Operations Department of any changes or corrections to your contact information.

Please refer to the criteria defined in the Board approved **Judging Approval Process**, effective January 1, 2018. According to my records, I have satisfied the criteria and am submitting a request for regular status for the following permit breeds.

_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

- Reminder, all initial breed applicants must request regular status on all breeds and attend a Basic Judging Institute presented by AKC prior to requesting regular status and up to two years prior to the submission of their initial application.

I certify that I understand and acknowledge that if I am charged with inappropriate treatment of a dog ("inappropriate treatment" means any offense involving a dog that alleges cruelty, abuse, neglect or improper treatment of a dog defined by AKC), or charged with any crime involving moral turpitude, especially as it concerns dog-related activities. The AKC may temporarily place my judging privileges on referral and judging status as **Inactive** while the charges are pending. Further, after receiving notification of the referral, I am prevented from judging or from accepting assignments to judge. When the charges are resolved and AKC's inquiry into the matter determines that no action will be taken by the AKC to cause a suspension of my judging privileges, the temporary judging referral will be removed.

I attest the information given in this application is true and correct.
