

THE NATIONAL BEAGLE CLUB OF AMERICA, INC.

Founded 1887

The National Beagle Club recommends health screening in line with our club-approved CHIC requirements.

CHIC requirements for Beagles are:

- Hip Dysplasia evaluation through either the OFA or PennHIP
- Eye certification exam by an ACVO Ophthalmologist
- DNA test for Musladin-Lueke Syndrome (MLS)
- Health screening elective consisting of **one** of the following tests:
 - Laboratory screening for autoimmune thyroid disease
 - Cardiac screening
