

## AMERICAN BRITTANY CLUB, INC.

### ABC BREEDER RECOMMENDATIONS FOR HEALTH CHECKS

The Board of Directors of the American Brittany Club, inc. recommends that the AKC use the CHIC recommendations for the AKC online breeder classifieds and health checks.

The CHIC recommendation for Brittanys:

1. OFA or PennHip evaluation for hip dysplasia
2. Eye exam by boarded ACVO Ophthalmologist each year from 2-8 years of age.
3. One of the following health exams submitted to OFA:
  - a. Cardiac evaluation or
  - b. Elbow dysplasia or
  - c. Patellar luxation or
  - d. Thyroid evaluation from an approved laboratory
