

# *Miniature Pinscher Club of America, Inc.*

Member of American Kennel Club, Inc.

03 November 2014

The Board of the Miniature Pinscher Club of America, Inc., provides the following information with reference to required health testing for Miniature Pinschers:

Primary (required) test:

Patella Luxation – OFA Evaluation

Electives – Two (2) from the following list:

OFA Thyroid Evaluation from an approved laboratory

OFA Cardiac Evaluation

ACVO Eye Exam, results registered with the OFA

OFA Legg-Calve-Perthes Radiographic Evaluation

MUCOPOLYSACCHARIDOSIS (MPS) IV – DNA based test results registered with the OFA. Results accepted from PENNGEN

First generation offspring of tested dogs eligible for Clear By Parentage

The Miniature Pinscher Club of America, Inc. has just recently been added to the CHIC database and the above tests represent our protocol for dogs to achieve a CHIC number.

For the Board;

Joanne Wilds

Secretary

Miniature Pinscher Club of America, Inc.
