

# WELSH SPRINGER SPANIEL CLUB OF AMERICA

## Health Statement for the Welsh Springer Spaniel Club of America (WSSCA)

The WSSCA's required health tests are the same as the CHIC testing, which are the following:

- 1) Hip clearance – either OFA or PENNhip evaluation
- 2) Elbow clearance (OFA evaluation)
- 3) Ophthalmic Exam by ACVO vet, ages 2,3,5 and 7
- 4) Autoimmune Thyroiditis (OFA evaluation from an approved laboratory). Recommended testing intervals at age 2,3,5 and 7.

E. Carla Vooris, WSSCA Corresponding Secretary  
284 Welshie Way Lane Henderson, NC 27537
