Dear Mr. Piusz,

On behalf of the Board of Directors of the Sussex Spaniel Club of America, Inc., thank you for your inquiry regarding the existence of a parent club health statement specific to the Sussex Spaniel in the United States.

As of the date of this correspondence, the Sussex Spaniel Club of America has not adopted a statement specific to your parameters nor does it have plans to do so. If at some point in the future the Club chooses to develop such a statement, we will forward that on to the AKC.

Sincerely,

*Rosemary Cushman*
