Step 3: Manage Listings - Photos & Videos

Add photos or videos to your Listing here.
Click the green button to start adding.

You have the ability to crop, zoom in/out, and rotate the photo until it's just right. You can also add a caption to your image.

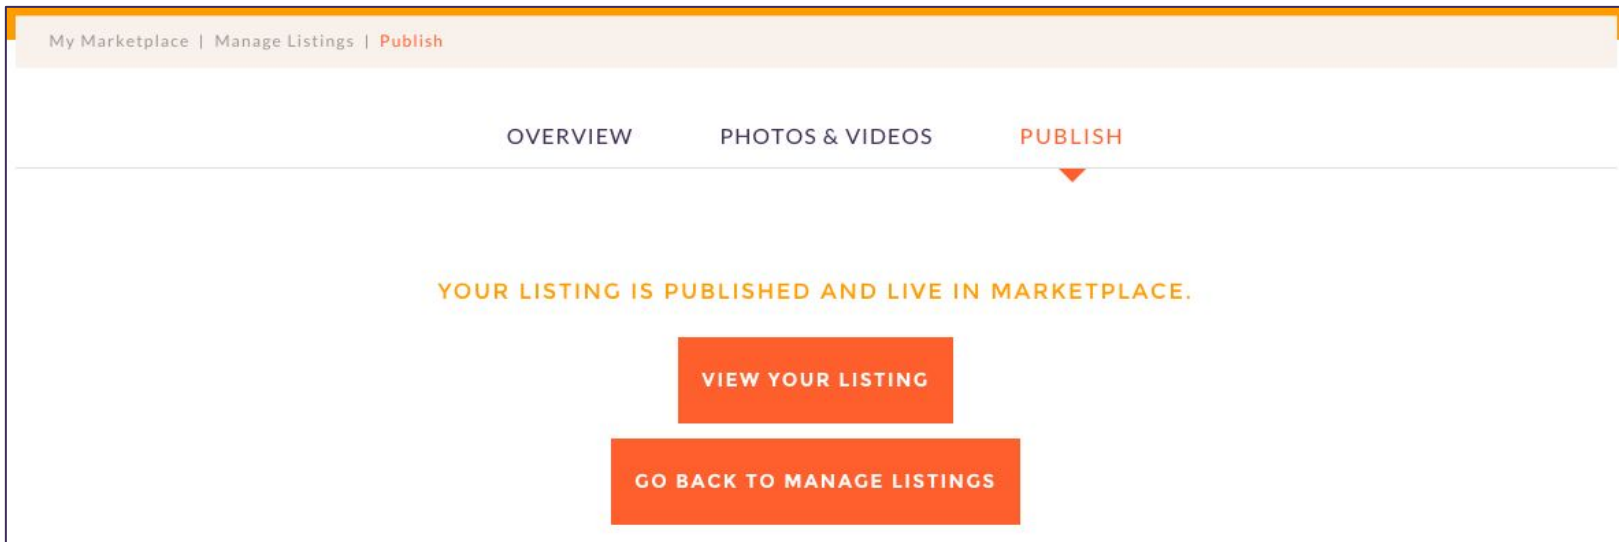

You can select a primary photo which will be the main image that visitors see when they visit your Litter Listing. To do this, click on one of your uploaded photos and click the orange “Make Primary Photo” button. You’ll see a blue border around your photo, indicating that it’s your primary.

Step 4: Manage Listings - Publish

Your listing is published! Click a button to view your Listing in Marketplace or go back to Manage Listings.

Thanks!
