Let your imagination soar with your team theme! Handlers and dogs should dress the part of this fun-filled competition. Will it be a beach bash, favorite movie, Mardi Gras? The ideas are limitless! Remember to include the name of the team on the each team dog's entry form and select a Team Captain.

Come out and join the fun with your dogs by entering a team at this year's Obedience Classic!

Entry forms may be downloaded from the event premium list at the following link:
<http://www.akc.org/events/obedience/classic/>

PREFERRED TEAM CLASS ELIGIBILITY / ENTRY LIMITS

Preferred Team Class Eligibility, Entry Limits & Entry Fee

The non-regular Preferred Team class will be for teams of any four dogs that are eligible to enter obedience events. The entry fee is \$55.00/per team. Five dogs may be entered, one to be considered an alternate, for which no entry fee will be required. However, only the same four dogs will perform all exercises. Dogs may be handled by the owner or any other person, need not be entered in another class at the Obedience Classic, and need not have obedience titles. A separate official **Team Entry Form** must be completed in full for each dog entered. Team entries must include a Team Name & Team Captain. No dog may be entered on more than one team.

Teams entries will be accepted beginning **Monday, July 20, 2015** and must be received by the closing date of **October 16, 2015 at 4:00 p.m.** Entries will be limited to 12 teams. When entry limits have been met, a wait-list will be kept.

PREFERRED TEAM CLASS REGULATIONS

There will be two judges, one of whom will call orders while the other scores the team's performance. The teams will be judged one at a time. The dogs on a team will perform the exercises simultaneously and will be judged as specified for the Preferred Novice class, except that a Drop on Recall will be used in place of the Recall exercise. In all exercises except the Drop on Recall, the teams have the option of executing the judge's orders on the team captain's repeat of the command.

In the Figure Eight portion of the Heel on Leash exercise, five stewards will be used. The stewards will stand 8 feet apart in a straight line. Each handler, with the dog sitting in heel position, will stand about equidistant from each of two stewards with all members of the team facing the same direction. On orders from the judge, the team will perform the Figure Eight, each handler starting around the steward on his/her left and circling only the two stewards between whom he/she had been standing.

In the Drop on Recall exercise, the handlers will leave their dogs simultaneously on order of the judge. The dogs will be called or signaled in, one at a time, on a separate order from the judge to each handler. Handlers will, without any additional order from the judge, command or signal their dogs to drop at a spot midway between the line of dogs and the handlers.

Each dog will remain in the down position until all four have been called and dropped. The judge will give the order to call the dogs, which will be called or signaled simultaneously. The finish will be done in unison on order from the judge.

PREFERRED TEAM CLASS SCORING

Individual dogs' scores will be based on the performance of the dogs and handlers individually plus team precision and coordination. Each dog and handler will be scored against the customary maximum for a team total of 800 available points. Individual dogs' scores will not be recorded.

1. Heel on Leash & Figure 8	160 points
2. Stand for Examination	120 points
3. Heel Free	160 points
4. Drop on Recall	160 points
5. Stay – Sit or Down	200 points
