

# When it comes to choosing a dog, **THINK AHEAD.**

## **Take the time to find out which dog is the right fit for you.**

Whether you have a small house or an estate, lots of kids or live alone, a tight budget or a family fortune, there's a breed of dog that'll fit your lifestyle. In fact, there are over 136 different breeds in every shape, size and temperament, but it will take some time and research to make the right match. So make sure you plan, because when it comes to dogs, **one size does not fit all.**
